

Rabies Vaccination Clinics

The Howard County Health Department, in cooperation with the Animal Control and Adoption Center are sponsoring local vaccination clinics to protect your pet from the rabies virus. Bring your dog, cat, or ferret for a discounted vaccination the 3rd Thursday of each month.

Location: 8576 Davis Road, Columbia, MD 21045

Time: Every 3rd Thursday, between the hours of 12 pm and 1:30 pm

Cost: \$5.00 (cash or check – payable to “Director of Finance”)

- Pets must be at least 3 months of age to receive a vaccination.
- Re-vaccinate animals by the 1 or 3 year vaccination expiration date.
- Please bring proof of any previous vaccinations. For cats and dogs you will need a copy of the previous rabies vaccine from your veterinarian. This will allow us to document a 3yr vaccination on your new certificate.

All pets must be on a leash or in a carrier!
